PROFESSIONAL EXPERIENCE:

Fair Oaks Skin Care Center – Fairfax, VA

Clinical Nurse Manager

February 2012-January 2016

- Oversaw the clinical staff daily including managing the schedule, maintaining appropriate staffing, conducting weekly staff meetings, and counseling clinical staff when applicable.
- Responsible for the hiring and training of all new clinical employees. Used Nextech EMR.

- Worked simultaneously with the physicians on a daily basis to ensure clinical schedule is managed appropriately and executed correctly.
- Assisted with all clinical and cosmetic procedures including sterile surgical excisions, skin biopsies, bacterial and fungal cultures, suture removal, and laser procedures.
- Responsible for managing and ordering all clinical supplies
- Managed all appropriate documentation for CLIA and OSHA

WatersEdge Dermatology – Port Saint Lucie, FL

Clinical RN

January 2008-June 2011

- Responsible for pre-op prior to Mohs surgery and assisted physician during the Mohs surgery.
- Anesthetized patients prior to surgical procedures
- Assisted with daily dermatological procedures including excisions, skin biopsies, routine skin cancer screenings, suture removal, and various skin disease treatments.
- Evaluated post surgical sites daily, removed staples and sutures, and established plan of care for complications when needed.
- Educated patients regarding self-injectable medications including Humira, Enbrel, and Stelera.
- Performed Xtract laser for treatment of psoriasis and vitiligo.
- Understands and assisted in routine cosmetic procedures including Botox, Dysport, Restylane, Sculptra, Radiesse, Juvaderm, Sclerotherapy, VBeam laser, and DOT Resurfacing Laser.

SkinCare Physicians and Surgeons - Encinitas, CA

Clinical RN

January 2006-December 2007

- Second Nurse in Charge assisting in managing clinical staff and delegating necessary assignments.
- Responsible for pre-op, operating room circulation, scrub nurse, and recovery room duties for numerous cosmetic procedures including tumescent liposuction, mini face lift, upper and lower blepharoplasty.
- Initiated and maintained IV access, as well as administered local IV anesthetics throughout the surgical procedure.
- Prepared patients for Mohs surgery, anesthetized patients prior to procedure, and assisted physician during Mohs surgery.
- Assisted in routine cosmetic procedures including Botox, Collagen, Restylane, Juvaderm, Perlane, Sculptra, and Sclerotherapy.
- Performed laser procedures including LightSheer Hair Removal and Fraxel Laser.
- Assisted with daily laser procedures including IPL, Vbeam Perfecta, Alexandrite, GentleYag, SmoothBeam, Q-Switched Yag, and Sciton.

Scripps Memorial Hospital - La Jolla, CA

Acute Surgical RN

June 2005-January 2006

- Assessed, planned and implemented a plan of care, as well as evaluated patient's progress towards expected outcomes.
- Worked extensively with post surgical patients evaluating sites and providing appropriate nursing care for each individual complication.
- Coordinated pre-op preparation for surgical patients, post-op patient recovery, wound care, and patient education.
